50X1-HUM

1. The Experimental Physics Institute at Warsaw, which has been in the course of development since 1947, is still inadequate. As a result, the University Institute of Experimental Physics at Lublin was enlarged in 1950. The director of this Institute is Professor Ziemecki. He has 15 assistants and a well-equipped laboratory.
2. Professors Soltan and Sosnowski of the Warsaw Institute and Professor Ziemecki at Lublin are co-ordinating their work and directing the scientific research of both Institutes. Professor Pienkowski directs scientific education at the universities.
